MATTER UNDER CONSIDERATION:

Technical Corrections to Order No. 2018-80-H

HEARING EXAMINER ACTION:

On page 3 of Order No. 2018-80-H, the following language is found:

“Similarly, Requests for Production # 2 and # 6 are overbroad. Request # 2 asks for photographs “related in any way to this Docket.”

This sentence is hereby corrected to state as follows: Similarly, Requests for Production # 2 and # 6 are overbroad. Request # 2 asks for “All photographs, videotapes, audiotapes, maps, plats, sketches, drawings, diagrams, measurements, surveys, or other Documents or material related in any way to this Docket.”

Another sentence on page 3 of the Order reads as follows:

“Asking for a document or other product “related in any way to this Docket” could encompass thousands of documents unrelated to any claim or defense raised.”

This sentence is hereby corrected to read: “Asking for documents, photographs, or the other stated products “related in any way to this Docket” could encompass thousands of documents, photographs, drawings or other stated products unrelated to any claim or defense raised.”

The purpose of this corrective Order is to clarify that the discussion of Request for Production # 2 on page 3 of Order No. 2018-80 was intended to encompass all materials indicated by that Request, not just “photographs” alone, as appeared to be indicated in Order No. 2018-80-H.

This ends the Corrective Order.
